In any event, such application may not be accepted by the Board within two years from the date of expulsion unless new evidence is discovered which alters the decision of the Directors.

ARTICLE IV--Indemnification

Section 1. Power and Scope of Indemnification:

(a) IVCA has the power to indemnify any person who is or was made a party, or is threatened to be made a party, to any proceeding by reason of the fact that he or she is or was a Director, Officer, employee or agent of the corporation, if: (i) such person conducted himself or herself in good faith; and (ii) such person reasonably believed (A) in the case of conduct in an official capacity on behalf of IVCA, that the conduct was in IVCA's best interests, and (B) in all other cases, that the conduct was at least not opposed

to IVCA's best interests; and (iii) in the case of any criminal proceeding, such person had no reasonable cause to believe the conduct was unlawful.

(b) Indemnification may be made against judgments, penalties, fines, settlements and reasonable expenses actually incurred by the person in connection with the proceeding; except that if the proceeding was by or in the right of IVCA, indemnification may be made only against such reasonable expenses and is not to be made in respect of any proceeding in which the person has been adjudged to be liable to IVCA. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, is not, of itself, determinative that the person did not meet the requisite standards of conduct and reasonable belief set forth in Section 1(a).

(c) A Director or other individual may be indemnified as described herein by a determination of the Board of Directors. In addition, in the absence of such determination, a Director or other individual who has been wholly successful, on the merits or otherwise, in the defense of any proceeding referred to in this Section 3 may be indemnified against reasonable expenses incurred in connection with the proceeding, if such indemnification is pursuant to court order. A court of appropriate jurisdiction, upon application of a Director or other individual with such notice as the court requires, is hereby granted authority to order indemnification in the following circumstances:

(A) if it determines a Director or other individual is entitled to reimbursement for the reasons set forth in this Section, in which case the Director or other individual is also entitled to recover the expenses of securing such reimbursement; or

(B) if it determines that the Director or other individual is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the individual has met the standard of conduct set forth in this Section or has been adjudged liable in the circumstances described in Section 2 of this Article, the court may order such indemnification as the court deems proper, except that indemnification with respect to any proceeding by or in the right of IVCA or in which liability has been adjudged in the circumstances described in Section 2 of the Article is to be limited to expenses.

(d) A court of appropriate jurisdiction may be the same court in which the proceeding involving the Director's or other individual's liability took place.

Section 2. No Indemnification:

(a) A Director or other individual may not be indemnified under Section 1 of this Article in respect of any proceeding charging improper personal benefit to the individual, whether or not involving action in an official capacity, in which the individual has been adjudged to be liable on the basis that personal benefit was improperly received by the individual.

(b) No indemnification under Section 1 of this Article is to be made by IVCA unless a determination is made in such case that indemnification of the Director or other individual is permissible in the circumstances because the individual has met the standard

of conduct set forth in Section 1. Such determination is to be made: (i) by the Board of Directors by a majority vote of a quorum consisting of Directors not at the time parties to the proceeding; or (ii) if such a quorum cannot be obtained, then by a majority vote of a committee of the Board, duly designated to act in the matter by a majority vote of the full Board (in which designation Directors who are parties may participate), consisting solely of two or more Directors not at the time parties to the proceeding; or (iii) by special legal counsel, selected by the Board of Directors or a committee thereof by vote as set forth in clauses (i) or (ii) of this Section.

(c) Authorization of indemnification and determination as to reasonableness of expenses is to be made in the same manner as the determination that indemnification is permissible.

Section 3. Reimbursement:

Reasonable expenses incurred by a Director or other individual who is a party to a proceeding may be paid or reimbursed by IVCA in advance of the final disposition of such proceeding upon receipt of:

(a) A written affirmation by the Director or other individual of a good faith belief that the individual has met the standard of conduct necessary for indemnification by IVCA as authorized in this Article; and

(b) A written undertaking by or on behalf of the Director or other individual to repay such amount if it is ultimately determined that the individual did not meet such standard of conduct, and if a determination is made that the facts then known to those making the determination would not preclude indemnification under this Article. The undertaking required by this clause is to be an unlimited general obligation of the Director or individual but need not be secured and may be accepted without reference to financial ability to make repayment. Determinations and authorizations of payments under this Section 3 are to be made in the manner specified in Section 2 of this Article.

Section 4. Validity:

No provisions for IVCA to indemnify or to advance expenses to a Director or other individual who is made party to a proceeding, whether contained in the Articles of Incorporation, these By-laws, a resolution of Directors, an agreement or otherwise (except as contemplated by Section 6 of this Article) is valid unless consistent with this Article. Nothing contained in this Article limits IVCA's power to pay or reimburse expenses incurred by a Director or other individual in connection with an appearance as a witness in a proceeding at a time when the individual has not been made a named defendant or respondent in the proceeding.

Section 5. Indemnification of Officers, Employees or Agents:

(a) An officer of IVCA is to be indemnified as and to the same extent provided in Section 1 of this Article for a Director and is entitled to the same extent as a Director to seek indemnification pursuant to the provisions of such Section 1,

(b) IVCA has the power to indemnify and to advance expenses to an officer, employee or agent of the corporation to the same extent that it may indemnify and advance expenses to Directors pursuant to this Article; and

(c) IVCA, in addition, has the power to indemnify and to advance expenses to an officer, employee or agent who is not a Director to such further extent, consistent with law, as may be provided by the Articles of Incorporation, these By-laws, general or specific action of the Board of Directors, or contract.

Section 6. Indemnification:

As provided in this Article indemnification shall continue as to an individual who has ceased to be a Director, officer, employee or agent, and shall inure to the benefit of the heirs of such individual.

ARTICLE V--Contractor Groups / Sub Associations

Section 1. "Contractor Groups" or "Sub Associations" may be created by the authority of the I.V.C.A. Constitution. Once created, these organizations:

A. Shall meet periodically to elect a Chairman from its membership. The Chairman shall serve for 12 months or until duly replaced. The Executive Director of I.V.C.A. shall serve as Executive Secretary of these organizations.

B. Automatically have as its members, all members of the Illinois Valley Contractors Association that are signatory to the particular I.V.C.A. contract that governs that Contractor Group...Example: Contractor A is signatory to the I.V.C.A. contract with the Carpenters Local Union, therefore he is automatically a member of the Illinois Valley Carpenter Contractors Association".

C. Shall make recommendation to the Board of Directors on items such as:

1. Who will represent the I.V.C.A. on Joint Board.
2. Who will represent the I.V.C.A. on Negotiating Committees.
3. Labor/Management philosophies specific to its industry.
4. Presentation of Education and/or Promotional Programs.

ARTICLE VI--Dues and Assessments

Dues, Initiation fees and assessments of the members shall be such as are established from time to time by the vote of two-thirds of the members of the Board of Directors of the Association.

ARTICLE VII--Amendments

Section 1. These Illinois Valley Contractor's Association By-Laws may be amended from time to time by a vote of two-thirds of the members of the Board of Directors of the Association present at a regular meeting of the Board of Directors providing that notice of the proposed amendment to the By-Laws shall have been given to each member of the Board of Directors in writing by United States mail at least forty-eight hours prior to the convening of the regular meeting of the Board at which such amendment of the By-Laws shall be considered.
