This section relates to the Employer's obligation to contribute to the Sheet Metal Workers' National Pension Fund ("NPF" or "Fund"). The Parties have adopted the NPF's Alternative Schedule and the Employer agrees to contribute consistent with the timing and amount of the Contribution Rate increases established in this Agreement and as required under the Alternative Schedule. The Alternative Schedule and the Fund's Trust Document are incorporated into, and form part of, this Agreement. The Employer will increase its NPF Contribution Rate on or before the date, and in the amounts, required in the Alternative Schedule.

1. For the duration of this Agreement and any renewals or extensions thereof, the Employer will contribute to the NPF the negotiated rate per this Agreement and as required by the Alternative Schedule, for each hour or part of an hour for which an Employee covered by this Agreement receives the basic hourly wage rate. 2. Contributions shall be paid starting with the employee's first day of Covered Employment (as defined in the Plan Document).

3. All contributions shall be made at such time and in such manner, as the Trustees require. If the audit reveals that inaccurate contributions or insufficient contributions have been made, the Employer agrees to pay all auditors' fees incurred in making the audit and also all legal fees and costs incurred in collecting audit fees if judicial enforcement of this provision is necessary.

4. Employers shall submit a remittance report and the required contributions to the Fund Office by the twentieth (20th) of the month following the month when Covered Employment was performed. Reporting and remittance shall be done via the Fund's on-line reporting and remittance system. SECTION 2. Any Employer that signs this Agreement or is covered thereby by virtue of being a member of a multi-employer bargaining unit expressly represents to the Union that it is not a “bad-faith Employer” as such term is defined in Section 1 herein above and, further, agrees to advise the Union promptly if at any time during the life of this Agreement said Employer changes its mode of operation and becomes a “bad-faith Employer”. Failure to give timely notice of being or becoming a “bad-faith Employer” shall be viewed as fraudulent conduct on part of such Employer.

In the event any Employer signatory to or bound by this Agreement shall be guilty of fraudulent conduct as defined above, such Employer shall be liable to the Union for liquidated damages at the rate of \$500.00 per calendar day from the date of failure to notify the Union until the date on which the Employer gives notice to the Union. The claim for liquidated damages shall be processed as a grievance in accordance with, and within the time limits prescribed by the provisions of SFUA Article X.

SECTION 3. Whenever the Union becomes aware that an Employer has been or is a “bad-faith Employer”, it shall be entitled, notwithstanding any other provisions of this Agreement, to demand that the Agreement between it and such “bad-faith Employer” be rescinded. A claim for rescission shall be processed by the Union as a contract grievance in accordance with, and within the time limits prescribed under the provisions of SFUA Article X of this Agreement.

13. ORGANIZER

The Local Union, upon 30 days' notice to the Employer, has the right through the term of this Agreement to implement an after tax hourly deduction for the purpose of organizing under the Labor Management Relations Act of 1947 as amended. Remittances will be paid to SMART Local #1 by the twentieth (20th) of the following month.

14. CONSTRUCTION INDUSTRY RETIREMENT FUND OF ROCKFORD

It was understood and agreed that there has been established a Pension Plan known as the Construction Industry Retirement Fund of Rockford.

Effective _____, the Employer shall be liable to contribute _____ per hour for each hour worked by the employee under the terms of this Agreement to the aforementioned Pension Trust Fund. (see #3 of Addenda for effective date and amount of contribution)

The Pension Fund maintains a place of business at 1322 E. State, Suite 300, Rockford, Illinois 61104 or at such other place as designated by the Trustees. Contributions of the Employer shall be forwarded to South Side Bank, PO BOX 5126 Peoria, IL 61601

It is understood and agreed that the Employer shall be bound to the terms and provisions of the Agreement and Declaration of Trust of the Construction Industry Retirement Fund of Rockford, and all amendments heretofore or hereafter made thereto, as though the same were fully incorporated herein.

All contributions shall be paid by the 20th to South Side bank by the 20th of the month. The Employer shall be deemed to be in violation of this Agreement and the aforementioned Trust Agreement and shall be liable for contributions due, liquidated damages, interest and any other costs of collection.

The Pension Fund is established and to be administered in accordance with the applicable provisions of the Labor Management Relations Act of 1947, as amended and the Employee Retirement Income Security Act of 1974 as amended, and all other applicable laws.

Contributions to the aforesaid Pension Fund shall not constitute or be deemed wages due to the employee. The sole liability of the Employer, except as otherwise provided herein, shall be the payment of the pension contributions as provided in this Article. (See #3 of Addenda for effective date and amount of contribution)

Effective June 1, 2011, all apprentices indentured after May 31, 2011 shall receive no contributions to the Construction Industry Retirement Fund of Rockford for the first six (6) months of their apprenticeship. Thereafter, the hourly contribution shall be thirty (30) percent of the Building Trades Journeyman hourly contribution for the remainder of the apprenticeship. This section shall not have the effect of reducing contributions for any apprentice who was indentured prior to June 1, 2011.

15. DRUG & ALCOHOL POLICY (OPTIONAL)

Employees are the Contractor's most valuable resource and for that reason, the health and safety of all employees is a paramount concern. Therefore, employers recognize the importance of maintaining a safe, healthy working environment for all employees. Contractors shall develop and maintain drug testing programs for all employees. Testing may be done prior to new applicant or apprentice employment and after a reportable accident or injury. Standards for laboratories selected to perform testing would be the same as FHWA (i.e., National Institute on Drug Abuse certified). Possession, sale or use of alcohol or non-prescription drugs by an

employee on the employer's property, site of construction, or during working hours regardless of location, may result in termination from employment. Employees must not report for work under the influence of any drug, intoxicant or narcotic.

Employees working under this Agreement will be required to submit to any and all testing as required by the project owner or any federal or state mandated agency at the expense of the Employer. Employees refusing to consent to such testing shall be deemed to have voluntarily quit their employment for all purposes under this Agreement.

Employees taking prescription medication, which, according to their physician, may have physical or mental side effects which could cause impairment on the job site, should report the medication to site supervision in writing in advance. Said medication must be contained in the original prescription container. Employees who report the use of lawfully prescribed medication shall not be disciplined for use of same, but may be subject to possible reassignment to less hazardous operations or, in the case of an employee deemed to be impaired as to their mental and/or motor functions, may be placed on temporary medical leave. The employer reserves the right to have its physician determine if a prescription drug produces hazardous effects or to restrict the quantity the employee is allowed to bring to the work place.

Within three (3) days of notification of a positive test result, an employee may request that the laboratory retest the original split sample at his or her own expense. If the test result is negative, the employer shall reimburse the employee for the cost of the retest. In the event the initial test indicates a negative result, the employee shall be paid any wages and benefits that would have been paid had his work hours not been interrupted by the test.

If any test result is positive, the employee may voluntarily seek assistance and enroll in the designated Union Health & Welfare Plan. A negative test within seven (7) days after successfully completing the program will make the employee eligible for immediate reinstatement, provided that the employer has work available and the employee continues the required chemical dependency treatment program.

Upon return to work, the employee agrees to be tested periodically at the expense of the employer. The Union shall be notified when any of its members are requested to submit to drug and/or alcohol testing.

Any employee who feels that he or she has developed an addiction or dependence on alcohol or drugs is encouraged to seek assistance before it deteriorates into a disciplinary matter. Requests for assistance will be handled in the strictest confidence within the Company and the Union. The Company will act in concurrence with the Union Health & Welfare Plan to help any employee who voluntarily notifies a supervisor that he or she may have a substance abuse problem, in obtaining suitable treatment. A negative test within thirty (30) days will make the employee eligible for immediate reinstatement, provided that the employer has work available and the employee continues the required chemical dependency treatment program. It is understood that the goal is not being one of replacing an employee who voluntarily sought help and continues to seek help after initial treatment.

16. SPECIAL SHIFT

One "Special Shift", with a start time not consistent with the start time specified in Article VI Section 1, and not consistent with the start time(s) specified in 1. STANDARD MULTIPLE SHIFT CLAUSE of the ADDENDA may be worked, if required. Workmen of the special shift shall receive eight (8) hours pay at their regular hourly rate plus fifteen (15) percent, for seven and one-half (7½) hours work. This pay schedule shall remain in force for seven (7) continuous work days, not including Saturday, Sunday, and holidays. After the seven (7) continuous work days, the workmen shall receive eight (8) hours pay at their regular hourly rate for seven and

one-half (71/2) hours work. Only one (1) special shift may be worked at one time, per project. Saturday, Sunday, and holidays are not part of the special shift and work performed on Saturday, Sunday, or holidays shall be at the appropriate overtime rate. Any work performed before or after the established hours of the special shift would be at the appropriate overtime rate. Once a special shift is terminated and another special shift is required, or a different start time is required, the provisions of the special shift would reapply. Notification to, and concurrence from the local union is required prior to starting a "Special Shift".
